

WALLUMNI TRIP

Kiev & Lviv, Ukraine

27-30 SEPTEMBER 2018

## *Explore beautiful and upcoming Ukraine with Wallumni*

On 27-30 September 2018 you are cordially invited to join Wallumni on another trip, this time to Kiev and Lviv in Ukraine.

This is a great opportunity to spend some inspiring days with new and old friends from the Wallumni family, and together we will explore and learn more about beautiful Ukraine.

The event starts already at Arlanda on Thursday (27 September) afternoon. After touchdown we will spend the first 36 hours in Kiev. In Kiev we will learn more about the country from the Swedish and Ukraine perspective, make interesting study visits as well as see what the 3-million people city has to offer in terms of food and sightseeing,

On Saturday morning Wallumni Express (bus) will take us to Lviv with a short stop in historic Ostroh. To keep us entertained Stefan Stolt will tell us some of his many stories from the wild east.

Lviv, a city most people outside Ukraine have not heard of, is not what you expect a former Sovjet city to be. In '98 it earned itself a spot on the UNESCO's World Heritage list.

Join us in the end of September to see why!

# Programme
